THE GOSPEL MEETINGS HAS STARTED

THE RANNY CONVENTION.

By the prayer of the children of God the Ranny Brethren Convention was started on 24th Nov 2009 at the Ranny Brethren Auditorium. Bros; Varghese Kurien and Charley Mathew spoke from the word of God on the first day. Bro Varghese Kurien pointed out 7 sins which come in the life of men based on Gen 3: 9&10.

1. The sin made the man away from God.

The soul, spirit and body completely went away from God the creator. The spirit was condemned for eternal death, fear entered in to the man and the body became submissive to many diseases and sorrows.

2. Sin separated man from the family relations.

Adam blamed Eve and Eve blamed Satan. The mutual blaming is the result of the sin.

3. Sin took man away from holiness.

Lamech started with polygamy. Quarrel due to more wives started there. Lamech killed a man and a lad. Men became not timid to do any sort of attack. It is the clear picture of today's world.

4. Took away from spirituality.

Jabaa was a cowboy and a shepherd. He stayed in the tent. The sheep or tent in itself is not a sin. But to depend fully upon it is the sin. Nowadays even the so called believers are adopting any sort of bad methods for making money. And they contribute a good amount for 'the glory of God' out of it. But think that, Is this money required for the almighty God?

5. Man's fall from the true worship.

This is the greatest example of man's fall. The musical instrument and music is allowed in the scripture. But to give more importance to this than God is a sin. All cult groups attract people through music. Lucifer was the first musician. Before the sin came to his mind his duty was to praise God with other Angels. But sin came to his mind and he fell down. It is a matter of fear that more importance is given for music in our midst. Are we giving chances to avoid the true worship? It is not correct to give more importance for music than the word of God and gospel.

It is not right or proper to use musical instrument at the time of worship. God is a spirit, so we should worship Him in truth and spirit. The praise and worship is against the word of God.

There is no record in the Bible that any instrument was used in the Tabernacle or at the Temple made by Solomon

6. Sin separated man from man.

The brotherly love is lost due to the sin. Brother kills his own brother. Any disputes between the brothers are due to sin. Whenever some problems develop in our assemblies, it should be solved according to the word of God. In such occasions going to the other assemblies is not a solution for any problems.

7. The sin separated man from life.

God decided to punish the sinful man. The flood at the time of Noah is the example for that. But the loving God opened a way of salvation even in that deadly punishment. That was the wide opened Arch for life.

Enoch taught us that we should walk with God. We are not supposed to adopt any method of gentile's life style. Let us follow Enoch.

On Sunday the last day of the gospel meetings God's people were able to worship God in truth and spirit. The word ministry was done by Bro: M.M.Zachariah. He spoke from Isa 58:12 and his theme was 'back to the Bible'. Jacob returned to Bethel. He buried every thing under the oak tree which is to be buried and then he worshiped God. We can worship in spirit and truth only after burying the things which we have to bury. Elijah repaired the ruined altar uniting the twelve stones as per the law. Our life and works should be according to the word of God. And if we go after modernism for our worship the heavenly fire will not come and consume our sacrifice. Just like the day of Pentecost the brothers have to be in oneness for the power of the Spirit. That day 3000 people were saved. But what happens today? So let us come back to scripture. "Those from among you shall build the old waste places; you shall raise up the foundations of many generations".

Editorial**IF ANTS EAT THE BURNING COAL
WHAT WILL HAPPEN TO THE COAL**

The situation in Kerala is becoming worse every day. Everybody is worried about tomorrow. Kerala which is known as the God's own land is a fertile land for coconut trees among the other states of India. But today even the soil is also polluted to produce good crops. Nobody is exempted. Our life, wealth and even banks are at the risk of robbery. Treasuries and security homes are robbed very easily. Innocent pedestrians are ruthlessly killed on roads with out any reason. God's own land is changing in to satan's own land.

It is very sad to say that even the police force is also becoming inactive in so many respects. It is like the ants eating up the burning coal. Even the Government is in two side pans of the balance with their words and works. Nobody has got time to listen all these things. The poor peasants are leading a fearful life. The poor people are treated as donkeys. They are put on hard work at all fields. The terrorists and wicked are increasing every day. Everywhere people are at war. One race , one country against another is a common scene. There is no peace in the world. Nobody is sure about tomorrow. Even at the time of peace treaty meeting and all party meeting the terrorism is on the increase.

Oh! The children of God; Arise, the day of Christ is at the door step. Let us open our heart. The King of glory is coming. Let us do our duties one by one. The master will come at due time. The darkest time is near by and nobody will be able to work. We should not be inactive. We should not ill-treat other believers, saying the master is delayed. God is going to reveal all our works. Then we will be ashamed in front of millions of saint, angels and God. So let us stop all our bad habits and work for the Lord. Let us be the true servants of God. And let God help us for the same.

T.V.S**Kottayam Convention
got Started**

The lord in His grace enabled the saints in and around Kottayam to get started this years convention with prayer. This convention takes place in the wide ground of Tirunakkara in the heart of Kottayam town. The first message was delivered by brother M M Zachariah. The earth is utterly broken down the earth is clean dissolved, the earth is moved exceedingly. His message was based on this verse. The worldly man is surrounded by fear from all sides of his life. The economical recession, terrorism fresh news about war and wars the increase in criminal activities injustice anarchy etc is the rule of the day. So man is frightened in every respect. No one is safe any more. The law and order situation has failed. But we the children of God have no means to be frightened of our Lord who is victorious over the world rules whole universe as a victorious king.

There is only one way to come to the Lord. I am the way truth and life is the victorious declaration of the Lord. Anyone who accepts this Christ can lead a fearless life with hope in this world. Through the gospel the servant of the Lord upheld Jesus Christ the savior of man kind. Jesus Christ is the sole means of salvation. Let us pray that many who heard the gospel may come to the saving knowledge of the Lord. May His name be glorified.

YFEF Punjab Campaign

The Lord enabled us to continue in His ministry in Patiala one more week. On Sunday we worshipped the Lord with the saints of Patiala. From Monday to Wednesday we were able to share gospel on the sides of Patiala Namba Road. On Tuesday brother Mahinder Singh joined the team. He stays and work in Ludhiana. There is a small gathering there in his rented home. He is a great help for this campaign. He deserves our prayer and support. As a general condition the rich is averse to

gospel. But the poor and downtrodden shows much interest and they listen carefully to the word. Moreover they buy books and booklets. The Lord has annointed me to preach the gospel to the poor. The words of our Lord is so apt and meaningful. One sister Paramjith Guracharan listened the word carefully and later she took us to their home and heard the gospel. From us personally. She purchased Bible and other books. We prayed for them and left the place. From Thursday to

Friday we shared gospel on both sides on the road Badson. Many listened to the word at the village of Kishengad where we visted them on Friday and Thursday. Gurkhand a vertenary doctor listened to the message from the beginning to the end. He brought a Bible. On seeing it another two people came forward and brought Bibles. Many bought CDs and small books and booklets. The doctor took us to the hospital and gave us a tea. It is a good thing that there

are people who has interest to listen to the gospel. Let us pray that the sourse of the many quench the spiritual thirst of many through this gospel campaign

On Friday we had only a small gathering infront of us. But everyone sat and listened to the message. Brother Mahinder shard the gospel under the control of the Holy Spirit. A person took us in to his house and asked us to pray for his son. We spoke to them about a living God who listens to the prayer. The child is totally paralysed from the age of 5. They brought a bible and took the address for the correspondance course. Last week we were able to share gospel in 48 villages and books

worth Rs 5192 was given. We express our grattitude to all those who prayed and also request all to continue to pray for us.

Called Jehovah Jireh

Jehovah Jireh is the place named by Abraham as a result of the work of the Lord at the appropriate time of a famous sacrifice which became very famous through out the world (Gen.22:14).

During the tough times of our Christian life, when the rays of the sun are covered by the dark clouds and when tribulations and waves hits our life boat, we may think that God is not for caring us. It is a human thought. But it is due to the presence of His care around us that we are not drowned by the waves of sufferings just like the people drowned in the Thekkady Lake when their boat capsised with the Peryar river. The lord keep us safe daily under His wings with necessary food, clothes and other things.

There was a family who met their daily needs by selling the woods that they collect from the forest. They had three kids also. One day because of heavy rain they couldn't go out to the forest to collect woods. On that day they did not cook anything. They all

gathered together with one heart and spent time in prayer. After the prayer the elder son said that we have the God who fed Elijah through a crow. Surely He will show us a way for our food.

When he was saying this, a dead crow fell inside the house through the open window. The father told his son to take that crow and throw it away. The elder son told like this. If the God fed Elijah with a live crow, the food for us today will be this crow. On hearing this his mother did not wait for a second thought. She plucked the feathers and started to clean the crow. When it was cut into two, to her amazement she saw a diamond ring inside. The family head took that ring and went to the palace. He gave the ring to the king and told all the happenings. The king said that it was the ring of the queen which was lost a few days back. Since the King got the lost ring he was very happy and a gave a good

gift to the man who brought it. Not only that he was also given a job in the palace. How wonderful is the great arrangement of God's care!!!

See!! How amazingly God cares for His children. It may not be the way we expect or desire. The God who cares His Children by making path in the deep doesn't require the live crow of Elijah. He cares even better than that through a dead crow. It may be a dead crow for others. But whoever believes in God can see the diamond inside the dead crow. Dear God's children! How wonderfully God guides His flock. It is difficult to happen that the progeny of a righteous beg for bread. In times of poverty also He leads them nicely. He is always Jehovah- Jireh for His children.
